Human-centred Design Thinking for Social Innovation and Entrepreneurship

This course spans all stages of the design thinking process for creative problem solving. Insights about the unmet needs of stakeholders are explored and turned into human-centered solutions.

Mensgesentreerde Ontwerpdenke vir Sosiale Innovasie en Entrepreneurskap

Hierdie kursus sluit al die stadia van die ontwerpdenkproses vir kreatiewe probleemoplossing in. Insig in die onervulde behoeftes van belanghebbendes word ondersoek en gebruik vir mensgesentreerde oplossings.
